

Services

Calibration & Certification

Gas Detection

- Portable Gas Detection
- Single gas measurement instrument
- Multiple gas measurement instrument
- Alcohol measurement instrument

Calibration of Temperature

- Thermometer
- Infrared meter
- Thermo-hygrometer
- (Air) Humidity meter
- Temperature calibrator
- Thermocouple
- PT100

Calibration of Pressure Gauges

- Manometer
- Pressure transmitter
- Vacuum gauge
- DP Transmitter (Differential Pressure Transmitter)

Calibration of Electrical Measurement Instruments

- Multimeter
- Current clamp
- NEN3140 tester
- Installation tester
- Insulation tester
- Hand tester
- RCD tester (Residual Current Device tester)
- PV tester (Photovoltaic tester)
- Megger (Insulation tester)
- Duspol (Voltage tester)
- Decade bank / Resistance box

Calibration of Torque

- Torque wrench
- Torque wrench tester
